

Make events unstoppable

COVID-19 PROTECTION FRAMEWORK AT XPO EVENTS

To ensure our shows run safely and according to government mandated requirements, XPO Exhibitions are committed to adhering to the following measures at all of our shows.

[Click on this useful link for more information](#) on the New Zealand Covid-19 Protection Framework

Anyone entering the venue will need to present a valid My Vaccine Pass. This applies to all visitors, exhibitors, key buyers and VIPs

Note: Trade show badges will only be issued on verification of a My Vaccine Pass

All XPO staff, contractors and casual workers are fully vaccinated

Contact tracing QR codes throughout the venue

Hand sanitising stations are available throughout the venue

Face masks are available on request at registration desks. Face masks are encouraged for all

Exhibitors are encouraged to design their stand space to allow for appropriate distancing

Additional cleaning is being undertaken in high traffic areas

Increased aisle widths to avoid congestion where appropriate

Anyone who is unwell is asked to stay at home
